NEDLAND INDUSTRIES INC. RESIDENTIAL REFUSE CART WARRANTY

Nedland Industries Inc. warrants its residential refuse carts from functional failure due to defects in plastic materials or faulty workmanship or insufficient resistance to weathering while in normal use for a period of ten (10) years (120 months) from the date of shipment from the manufacturing facility to any purchaser ("Shipment Date"). Notwithstanding the above, Nedlands shall provide purchaser with a spare parts supply of component parts, such as axles and wheels, which fail.

For purposes of this warranty, "normal use" of a cart is considered to be the collection of residential solid wastes in conjunction with any semi-automated or fully automated mechanical lifting device manufactured to industry-wide guidelines ANSI Z245.60-2008 and/or ANSI Z245.30-2008 which are standard.

Nedlands shall be promptly notified of any failures under warranty in order that such failures may be inspected. Residential refuse carts which fail shall be accumulated by the customer, but no accumulation of defective products shall exceed 20 residential refuse carts without written notification to Nedlands.

Specifically excluded from this warranty are damages due to negligent or abusive use or normal wear and tear, including but not limited to, those items listed on Schedule A attached. Also specifically excluded are carts used as crew carts, dumped manually, or used for any purpose other than residential solid waste and curbside recyclables collection. Negligent, abusive, or specifically excluded use of carts voids this warranty after such use. This warranty is also voided upon the resale of the residential refuse carts.

THIS WARRANTY IS IN LIEU OF ANY OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL CE BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR ANY DELAY IN PERFORMANCE UNDER THIS WARRANTY.
