EZrolloff Model EZ20 TH

26,000 lb. G.V.W.
20,000 lb. G.V.W hoist capacity
(Under CDL)

This truck hoist system allows you to handle small to medium-sized projects with great efficiency.

Compatible with 6, 8, 10, 15, 20 and 30 cubic yard dump containers!

EZ20 TH shown with 20-yard container

Multiple rolloff accessories can make this truck hoist an even more versatile addition to your business.

Compatible accessories include:

- rolloff containers
- dump containers
- flatbed
- storage container
- tarping system

EZrolloff systems let you work in tight quarters. Our truck hoist systems need less space and offer much greater flexibility than a traditional large truck hoist. Makes any hauling or waste removal job easy, regardless of the surroundings.
